Subway

The Riverside (D) line offers stops along the Newton area. The main Newton area stops are located at Riverside, Woodland, Waban, Eliot, Newton Highlands, Newton Centre, and Chestnut Hill. See the maps below for more details. The official [MBTA Go](#) app as well as the official [MBTA green line website](#) can be utilized for real time updates, route planning, vehicle tracking, and learning about the latest closures.

Commuter Rail

The commuter rail service is offered along the Worcester/Framingham line. There are a few stops located in Newton which include Auburndale, West Newton, and Newtonville. The schedule and routes can be found in the [MBTA Go app](#) as well as the [MBTA Framingham/Worcester Commuter Rail](#) line webpage.

Paratransit (MBTA The RIDE)

MBTA's The Ride offers a door-to-door, shared ride public transportation to people who can't use the subway, bus, or trolley all or some of the time due to temporary or permanent disability. The RIDE is available year round in 58 cities and towns in the greater Boston area, generally operating from 5:00AM to 1:00AM daily. For more information see the [MBTA's The Ride](#) website. To apply, click [here](#).

MBTA Reduced Fare Programs

The MBTA offers a number of programs to make public transport less expensive. They have [Income-Eligible](#), [Older Adults \(65+\)](#), [Students](#) in middle and high school, [People with Disabilities or Medicare Cardholders](#). Click those links for more information on each. Bluebikes also offer an [income-Eligible program](#). Children (11 years and younger) ride for free, as well as Military Personnel, and People who are Legally Blind.

Metrowest Regional Transit Authority

The MetroWest Regional Transit Authority (MWRTA) runs bus service west of Newton, and for Newton residents the most useful piece is Route 1. The Route 1 bus runs between Woodland MBTA Station, which is on the Green Line in Newton, and Natick Mall, with stops at Babson College, MassBay and Cross Street along the way. It follows Route 9 through Wellesley Square and Wellesley Lower Falls. The MWRTA uses a "flag down" system, so riders can wave the bus down anywhere it can safely pull over. The MWRTA also runs a microtransit service called Catch Connect, available in Wellesley, Natick, Framingham and several other towns, and a paratransit service called MetroWest Ride. For questions, call 508-935-2222 or email info@mwrt.com. For more information, see the official [MWRTA website](http://www.mwrt.com).

Bikeshare (Blue Bikes)

For those looking to participate in bikesharing, Blue Bikes are a great option. Bluebikes have 15 stations in Newton and many more in the dozen Bluebike communities around the Boston area. Riders must check out bikes at a station and return it to any other station with available docks. Visit the [Bluebikes Website](#) for more information and to sign up. The map below shows all of the blue bike stations in the Newton area.
